### **CORPORATE OFFICE CENTERS OPENS NEW LOCATION IN DENVER MARKET**

*Executive suite firm offers Class A office space in Broomfield, Colorado.*

January 23, 2009 - Corporate Office Centers, one of the nation's largest executive business suite operators, has opened a new office business center in Broomfield.

Providing furnished, occupant ready office space and virtual office business services that feature all-inclusive pricing at a fraction of the cost of traditional office space, the Broomfield Mountain View center is located at 12303 Airport Way. The Class A office building offers spectacular views of the Rocky Mountains and is easily accessible from highway 128 and Wadsworth. Offices and services can be utilized daily, monthly or annually on an on-demand basis.

Executive suite business centers continue to be a smart solution for short and long term business requirements. "With so many variables in the economy, flexibility is key in all aspects of today's business environment. We provide an alternative that is both flexible and more cost effective when compared to traditional lease and sub-lease terms." said Thad Pittman, President of Corporate Office Centers. "We reduce overhead while providing the same services found in larger lease space options." Executive suites are also an excellent resource for disaster preparedness plans, regional offices and temporary space during traditional office space transitions.

The center's contemporary, inviting interior provides a professional, productive setting and there are ample networking opportunities among center tenants. Amenities include conference and meeting rooms, administrative support team, fully equipped kitchen, receptionist and personalized telephone answering, mail services, and the latest in telephone and technology services.

To celebrate the center's grand opening, Corporate Office Centers will be hosting an Open House and networking event on Thursday, February 5 starting at 4:00pm. The Broomfield Chamber of Commerce will be conducting a ribbon cutting ceremony, and comedian and long-time Denver sports reporter Sam Adams ([www.samadams.name](http://www.samadams.name)) who has appeared on CBS, ESPN, Fox Sports and the NFL Network will be dedicating the center. Door prizes will be awarded and a raffle will be held for a chance to win an all-inclusive office package valued at \$4,200. The public is welcome to attend and tour the center.
