

## Corporate Office Centers Expands Operations in Southern California Market

GRAND OPENING MAY 1, 2007

Corporate Office Centers' 24th location will opening in the Sterling Center complex in Ontario, California. Corporate Office Centers is the EXCLUSIVE full-service alternative office space provider in the Ontario area.

The Sterling Center, located at 3200 Guasti Road, is adjacent to the Ontario International Airport, immediately off Interstate 10 at the Haven Avenue exit. This Class A property boasts both spacious furnished exterior and interior offices in a campus environment, with beautifully landscaped walkways, courtyards and a relaxing water feature. Numerous amenities are close by.

"We are very excited about being the first full-service executive suite operator to enter the Ontario market in such a highly-desirable area," said Thad Pittman, CEO and Owner of Corporate Office Centers. "Being close to the Ontario Airport, we will meet the needs of many local businesses as well as remote companies who need a professional presence in Ontario. By adding this center to our growing real estate portfolio, we now have a solid base not only in Southern California, but in the booming Inland Empire as well," he said.

The new business center will open on May 1st with an upscale modern design. It will feature 93 offices consisting of individual executive offices, team rooms and mini-suites. It will also provide 3 meeting rooms, a café with a client service center, easy access and plenty of free parking.
