## **Corporate Office Centers' South Shore Harbour Welcomes New General Manager**

*Francisco Ardila Joins Corporate Office Centers' Team*

**Houston** (July XX, 2008) – Corporate Office Centers®, one of the nation's largest executive suite operators, recently announced the addition of Francisco Ardila as general manager at its South Shore Harbour center located in League City, TX, according to Thad Pittman, president of Corporate Office Centers®.

Ardila will oversee all aspects of sales, marketing and operations. He will also develop brand recognition and strategic relationships with local businesses, associations and commercial real estate brokers.

With more than five years of expertise, Ardila has an extensive background in the commercial real estate industry and has held key sales and marketing positions including area sales manager at Greenspoint Mortgage and most recently as territory manager for Lighthouse Commercial Mortgage.

"We are very excited to welcome Francisco to the Corporate Office Centers' team. His extensive managerial experience in the commercial real estate industry will keep South Shore Harbour a leader amongst executive office suites," said Pittman.

### **About Corporate Office Centers®**

Corporate Office Centers owns and operates 26 executive suite locations nationwide, providing cost effective, immediate office space solutions, virtual office plans, meeting facilities and administrative support services.
